THREE WAYS TO OFFER IT

Standard rate: **\$97/mo** · employees get a discounted rate no matter which tier you choose

NO COST TO YOU Discounted access Employees get Soffit at an exclusive rate as a voluntary benefit. You offer it, we run it.	SHARED COST Subsidized You cover part of the subscription, employees cover the rest. A bigger perk for a smaller line item.	FULLY COVERED Company-paid You cover the full subscription, like a gym membership or a phone stipend. The strongest recruiting story.

HOW IT WORKS

- Pick a tier**
Choose how much of the cost your company covers. We'll handle the rollout either way.
- Employees sign up**
They enroll on a co-branded page featuring your company, plus a free annual tuneup.
- We take it from here**
Onboarding, scheduling, visits, and billing, all handled. Nothing lands on your plate.
- They get weekends back**
Less time on chores, fewer surprise bills, and a team that's actually rested on Monday.
